

# Advent Prayer Journal

BROUGHAM PLACE UNITING CHURCH 2021

Each week you are invited to record your prayers in this prayer journal as we seek light to break into our lives and the world. You are invited to bring your Advent prayer journal to worship each week. We will light candles as we hold one another in prayer and share our prayer concerns for the world. We seek the presence of light as we prepare our hearts and minds to welcome the light of the world this Christmas.
